# Breakfast & Lunch Updates

Breakfast is available daily in the classroom, free of charge, to all students. Hot lunch is \$2.70/ day with the option of buying milk only for \$.35. You can add money on your child's account through the parent portal or paying cash or check to the office. **IS YOUR STUDENT STILL HUNGRY?** Unlimited choices from the fruit and veggie cart are always an option for students choosing hot lunch. If you would like your child to have another main entrée they can do so for an extra \$2. The student would tell Miss Susie when they key in their code that they would like an extra entrée.

Volunteers needed for lunchroom, before and after school, shelving books in the LMC and bookroom.

Please call the office if you are able to help!

## **2 way Communication Policy**

**Please see the updated student use of personal Electronic communication devices at school policy.**

### **STUDENT USE OF PERSONAL ELECTRONIC COMMUNICATION DEVICES**

The Appleton Area School District recognizes the role schools play in educating students to use technology responsibly. The Appleton Area School District also recognizes the legitimate educational right that students have to learn and engage in school activities without distraction or disruption.

Students may be granted limited permission to possess and use Personal Electronic Communication Devices (PECDs) at school (before, during and/or after the normal school day) and/or in other school-supervised settings.

Personal Electronic Communication Devices (PECDs) are devices such as cellular telephones or other personal electronic devices with communication functions or with recording, photographic, or video-imaging capabilities. PECDs may or may not connect to the Internet.

Principals are authorized to establish school rules and acceptable use guidelines for limited, non-disruptive use of PECDs during the school day in the school building or during school activities. Such limited use shall be consistent with the following general parameters:

- 1. The Appleton Area School District shall not be responsible for the safety or security of PECDs that students bring to school. Students who bring PECDs to school do so at their own risk of possible theft, damage, misappropriation of data/equipment, or other loss.**
- 2. Students have different needs, levels of understanding, and maturity levels. Accordingly, rules regarding student possession and use of PECDs may be different among students by grade level or another reasonable basis. The rules may address instructional and non-instructional uses of PECDs.**
- 3. Permission to possess and or use personal electronic devices at school or in any school-supervised setting shall be subject to further modification or limitation by a staff member, activity supervisor, or any school administrator.**
- 4. Consistent with state law requirements a copy of the District's rules regarding student possession and use of PECDs shall be provided to students on an annual basis.**

5. **Students who receive limited permission to possess and/or use any PECDs receive those permissions as a privilege, not a right. Students who violate any law or any applicable school policy, rule, or directive in connection with their possession or use of PECDs shall be subject to disciplinary action in accordance with established procedures.**
6. **Nothing within this policy or in any rules established in connection with this policy shall be construed to limit a student's ability to use a PECD in a manner that functions as assistive technology necessary for a student's education and that is required under an individualized education program (IEP) or a Section 504 plan.**

**The inappropriate use of PECDs by students while on campus is subject to disciplinary action. Students may not use PECDs to create, communicate, share, or post personal information, recordings or images of any other student or staff member without permission from that student or staff member.**

**The inappropriate use of cameras or other PECDs includes but is not limited to the following examples:**

- **in areas where one would reasonably expect privacy, i.e. locker rooms, bathrooms, etc.**
- **to communicate test answers, photograph tests, or in any way enable students to cheat.**
- **to engage in cyber-bullying – placing cell phone calls or sending text messages that ridicule, threaten or harass another student.**

**The inappropriate use of the Internet and PECDs by students while off campus is subject to disciplinary action if engaging in cyber bullying or maintaining or posting material to a website, social media account, or elsewhere on the Internet that threatens a likelihood of disruption in school or results in disruption in school.**

**Students involved in activities that interfere with the rights of other students to participate fully in school or extracurricular activities will be in violation of this policy.**

**Violation of this policy by students will result in disciplinary action which may include any of the following:**

- **revocation of District technology use privileges**
- **application of school disciplinary practices and procedures**
- **notification of law enforcement officials**

- notification of parents/guardians or legal custodians
- notification of the activities director and/or co-curricular coaches/advisors
- notification of the District Superintendent or designee
- suspension from school
- recommendation for expulsion.
- *Personal Electronic Communication Devices may be confiscated and held by school officials for return to the parent(s)/guardian(s) of the student, retained for disciplinary reasons, or turned over to law enforcement officers.*

### Immunizations: Is Your Child Up to Date?

Hello families,

We hope your student is off to a great start of the school year! We are sending out another reminder to check to make sure your student is current on the required immunizations. The Wisconsin Immunization Law requires that all students through grade 12 meet a minimum number of required immunizations prior to school attendance. These requirements can be waived only for health, religious or personal conviction reasons.

Grade/Age	Number of Doses					
Pre-K (ages 2 through 4 yrs)	4 DTaP/DTP/DT	3 Polio	3 Hepatitis B	1 MMR	1 Varicella	
Kindergarten through Grade 5	4 DTaP/DTP/DT/Td	4 Polio	3 Hepatitis B	2 MMR	2 Varicella	
Grades 6 through 12	4 DTaP/DTP/DT/Td	1 Tdap	4 Polio	3 Hepatitis B	2 MMR	2 Varicella

Legal notices will begin coming home to families this week for students who have not received the required vaccinations. If you receive a legal notice and you believe your child is up to date, please send a copy of their immunization record with them to school. If your child is not up to date, please call their physician's office as soon as possible to get them scheduled. Other resources for completing these vaccinations are:
