# 2022–2023 Elementary Late Starts

Late Starts will be held on the following Wednesdays during the 2022–2023 school year:

September 14, September 28, October 12, October 26, November 9, November 23, December 14, January 11, January 25, February 8, February 22, March 8, March 22, April 12, April 26, May 10, and May 24.

School will begin exactly 2 hours after the regular start time on these days (bus will run 2 hours late as well).

Before school care on Late Start days will be limited to the students who are already enrolled in the YMCA and Boys & Girls Club Extended Day Learning Program. For more information on this program, please see the Appleton Area School District website or call the school office.

*Lunch Supervisors  
needed!*

We are looking for help from 11:45am–12:45pm supervising students in the lunchroom and out on the playground. Paid and volunteer positions are available.

Commit to one day or all five days. Grandparents, friends, relatives, all are welcome! Call our office for more information.

### From the school nurse: Beginning of Year Reminders

Hello and welcome to the 2022-2023 school year! We are excited to have your students back in class and we look forward to working with them. In order to help ensure we have the most up to date information for those students with health conditions, please remember to fill out an updated health condition plan which can be found [here](#). Please return these to your student's school office once completed. Any medication that will be kept at school must have a new [medication administration form](#) completed each school year. Please note that there is no longer a separate form for medications that students self carry. All medications must come in their original packaging or pharmacy bottle with the student's name and dosing information. You may find additional information about the Appleton Area School District's policy on medications in the school setting [here](#). Lastly, per Wisconsin law, students are required to be fully immunized or have a signed [waiver](#) on file. There are additional immunization requirements for incoming Kindergarten and grade 6 students. If your child has not yet received the appropriate immunizations, please schedule an appointment with your health care provider or the City of Appleton Health Department/Outagamie County Health Department. Additional information about vaccination requirements can be found [here](#). If you have any questions please reach out to your school nurse. Thank you!
