HOUDINI HAWKS TALE

Notes from The Principal

Dear Houdini Families,

DATES TO REMEMBER

March 6-10	St. Joseph's Food Drive & Spirit Week
March 8	Late Start
March 10	Sock Hop
March 22	Late Start
April 3-7	Spring Break

Our staff will soon begin the task of placing children in classrooms for the 2023-2024 school year. Many factors are considered when appropriately placing a student in a classroom. Our staff seeks to meet the needs of each individual student, and balance the needs of each classroom. We find that most parents are comfortable with the classroom placements made collectively by our staff. School enrollment changes each year as families move into and out of our attendance area. Houdini is closed to open enrollment and school of choice applications for the 2023-2024 school year. Our staffing and actual enrollment are not known until we complete our registration process over the summer. If you would like to provide our staff with input regarding your child's needs as it relates to their placement for the next school year, please submit a signed letter to Mrs. Hardesty. Written requests should focus on your child's academic, social-emotional, or behavioral needs. Letters that refer to or request to have or not have specific teachers will not be considered. The deadline for letters is Friday, March 24, 2023.

The Houdini Elementary School student body is sponsoring a school-wide food drive during the week of March 6. Please send donations to school with your child. All items will benefit St. Joseph Food Pantry. We appreciate your support with this community service project. Together we can make a difference for the families in our community!

Current AASD students and private school students that attended last summer: Parents/ guardians will receive an email or message on the parent portal on April 10th to view what school site that the student will have enrollment access to for summer school. Enrollment will be open to the school the student attends during the school year. Private school students will have access to the site that they attended last summer. If the student would like to attend a different school for summer school, please contact kadolphkarrie@asds.k12.wi.us or 832-4976.

Course registration opens April 17th. Parents/guardians will register for summer school courses via the Infinite Campus Portal. Student's finalized schedules and fees will also be available for viewing in the Portal within one week after registering the student. Fees may be paid online, also through the portal. Online registration will close on June 2nd; however, registration forms may be dropped off at the school site after that time. If assistance is needed logging on to Infinite Campus, please contact the Helpdesk at helpdesk@asds.k12.wi.us or 920-993-7062 ext 2140.

School Immunization Requirements: Kindergarten-Sixth Grades

Vaccines are required for Wisconsin students.* You can get a blank copy of the Student Immunization Record form from your school or download a copy: <https://www.dhs.wisconsin.gov/library/F-04020L.htm>. At the start of the new school year, give the complete Student Immunization Record to the school.

*Vaccine requirements may be waived for health, religious, or personal conviction reasons.

How do I complete the Student Immunization Record?

-  Call your doctor or local health department and make a **vaccine visit** as early as possible.
-  Ask your doctor to **fill out** the Student Immunization Record form (F-04020L) and then you **sign** it.
-  **Give** the Student Immunization Record form to the school at the beginning of the new school year.
-  **Call** your doctor's office or local health department if you **need help** or more information.

 You can track and print your student's vaccine record through the Wisconsin Immunization Registry: <https://www.dhs.wisconsin.gov/immunization/wir.htm>

What vaccines and how many doses does my student need for school?

 Your doctor may recommend additional vaccines to keep your student healthy.

2023-2024 4K Enrollment Information

Enrollment begins
on Monday,
February 13th,
2023!!!

Appleton Community 4K builds a lifelong love of learning by providing safe and nurturing educational environments. We focus on age-appropriate concepts and academic growth in play-based learning settings. Learning experiences are driven by each individual child's interests and encourage creativity, curiosity, problem solving, and exploration. Student progress is monitored and assessed in areas that include Early Literacy Development, Mathematical Thinking, and Social and Emotional Development.

To enroll, your
child must be
4 years old
on or before
September 1st.

In Appleton Community 4K, we're playing, learning, and growing today... to lead, care, and contribute tomorrow. We'd love to have your child join us!

Please visit 4k.aasd.k12.wi.us/our_school/enrollment to check out our helpful instructional videos and find one of our community partners near you. We welcome you to reach out to the 4K sites you are interested in learning more about. They'd love to talk to you and offer you a visit!

With many
locations in
Appleton, 4K is
inclusive, flexible
& near you!
