School Picnic

June 1

11:30-12:30

When you arrive, please plan to meet your child(ren) at your youngest child's line spot. We will have older siblings report to that location.

Teachers will walk students outside to their line spot to meet attending adults at 11:30 am.

Students and guests eating hot lunch will enter the building together to get those lunches and those having cold lunch will find a picnic location outside.

You may bring picnic blankets and/or chairs if you wish. There will be very limited table seating available.

At 12:30 pm, there will be an announcement for students to line up at their line spots to re-enter the building with their class.

If you have any questions about our picnic lunch, please connect with your child's teacher and/or our school office.

Dear Houdini Family,
I feel blessed to have had a career that I absolutely love. I have so many positive memories of wonderful students, families and staff. Thank you for the positive messages and kind words. It has truly been a pleasure and the years just flew by!

I am so grateful for the last 9 years I have spent at Houdini. The students, parents and staff have been such a kind, supportive, and fun community. I have so many good memories to take with me and will definitely miss my Houdini Family. I thank each of you who have touched my life and I wish you all the best.

I have only had a few years to enjoy the magic that is Houdini, but it has been more than enough time to fall in love with this community. I am very grateful to all of the wonderful families who have brightened my time and made my job so rewarding. I shall miss all of the staff as well, as Houdini truly is a magical place!

In the one and only year I have been at Houdini I have met truly wonderful staff and students, thank you for providing a warm welcome and support. Houdini impressed me with the caring environment for student learning, that I am sure will continue to thrive and grow. Best wishes for the future.
