

# FINE ARTS

Creating what cannot be put into words

## Mission Statement of the AASD Department of Music

To engage the heart, mind, and body of every child through the study and expressive performance of music.

## AASD Music Standards for Grades K-12 Students

### Content Strand

- I. **Performance**  
Making music through heart, mind, and body in a community of learners.

### Content Standard

- A. **Heart**- inspiring the soul through musical expression that creates what cannot be put into words
- B. **Mind**- developing literacy and creativity through dynamic, appropriate repertoire
- C. **Body**- developing a musical ear and producing quality tone with technical accuracy and expressiveness
