

Houdini Elementary PTO Volunteer Interest Survey

Study after study show that student success is highly correlated to parent involvement, both at home and at school. Thank you for making the effort that increases connections between Houdini parents, students and staff. Your support helps enhance your students' school year.

Please provide some information about your family's interests & talents and the time you are willing to volunteer to help. Please complete this form and return it to school at your earliest convenience.

The aim of this form is two-fold: to increase the number of parent participation while decreasing the amount of time needed to volunteer. The goal is to keep volunteer commitment at a manageable two-hour *general* window of time - some jobs take more time, and some take less time, while some don't require coming to school at all! Thank you for your input.
